**BATTERY COMMERCIAL WELCOMES STEPHEN LACY TO THE FIRM
SAN FRANCISCO, CA**

SAN FRANCISCO (May 15, 2012) — Battery Commercial Corporation, specializing in the brokerage of single-tenant commercial real estate nationwide, is pleased to announce the addition of the newest member of our team: Stephen Lacy.

Stephen joins Battery Commercial from LCB Associates, where he gained multi-tenant sales and leasing experience with a primary focus on the San Francisco-East Bay market. Prior to that Stephen gained retail and mixed-use development experience through valuable internships with Caruso Affiliated and Blake Hunt Ventures. Stephen graduated from the University of Southern California in 2009 earning his Bachelors of Science in Public Policy, Planning and Development with an emphasis in Real Estate Development. Stephen played water polo for the USC Trojans, and has continued that passion by coaching water polo for teams in the East Bay

The Principals of Battery Commercial have been together for over 22 years and have transacted over \$2.5 Billion of single-tenant real estate. With the addition of Stephen Lacy, the agents of Battery Commercial have collective experience in the sale of over \$3.25 Billion of properties in almost all 50 states. Battery Commercial provides cutting edge, specialized, market making services to its diverse clientele. Battery Commercial is the leading independent NNN leased investment brokerage firm in San Francisco focused exclusively on advising clients in the disposition and acquisition of commercial property nationwide.
